Various

Remarks :

Introducing the remarkable Leopard 27, a commercial boat that combines performance and comfort in a sleek design. This used vessel, built in 1998, boasts an impressive overall length of 27 meters, providing ample space for various water activities. Crafted from durable fibreglass, the hull ensures both stability and longevity. Equipped with twin MTU engines, the Leopard 27 delivers a cruising speed of 27 km/h, with a maximum hull speed of 34 km/h, making it an excellent choice for those seeking adventure. The boat features four well-appointed cabins and four heads, ensuring a comfortable stay for all guests on board. Designed for functionality, the Leopard 27 features essential equipment that enhances the overall boating experience. Whether you're planning a leisurely cruise or an exciting expedition, this vessel promises to meet your needs with style and efficiency. Experience the thrill of the open water with the Leopard 27, the perfect companion for your maritime journeys. Ideal also for charter purposes.

The boat requires repairs to two pistons in the engine, for which the price of €400,000 reflects the pending work. The owner already has an estimate from MTU ready to be done.
