Broker Remarks
NEW MODEL Jeanneau Sun Odyssey 455 - First in the Country, now available to view in Chichester marina!
We are proud to present this Jeanneau Sun Odyssey 455, the first example of this exciting new model to arrive in the country. Representing the next evolution of the highly successful Sun Odyssey range, the 455 delivers the perfect balance of performance sailing, contemporary design, and exceptional cruising comfort, all wrapped in a highly manageable 45-foot platform.
Powered by a Yanmar 4JH80 (80hp) and fitted with 1.75m shallow-draft cast iron keel opens up cruising grounds while maintaining excellent stability and sailing performance. With generous tankage — 580 litres of water (including additional tank) and 200 litres of fuel — she is ideally suited for extended cruising.
The high-aspect rig, paired with Harken winches and deck hardware, delivers efficient sail handling, while the in-mast furling mainsail, furling genoa, and German sheeting led back to the helm make short-handed sailing a pleasure. The comprehensive Downwind Pack, including rigging for Code 0 / asymmetric spinnaker and bowsprit, ensures this yacht performs just as impressively off the wind as she does upwind.
Her cockpit has been designed with both sailing and relaxation in mind, featuring twin composite steering wheels, wooden cockpit tables, convertible cockpit sunbeds, high-transparency sprayhood with LED lighting, and an electric transom drive providing seamless access to the water. Full mooring and anchoring kits complete a truly turn-key package.
Below deck, the 3-cabin, 2-head layout is finished in grey cedar with dark oak laminate flooring, creating a bright, modern, and inviting interior. Jeanneau's signature one-level interior with no door sills, leather-wrapped handrails, and large

rectangular berths enhance both comfort and safety at sea. The saloon features a luxury electric telescopic table, premium upholstery, indirect LED lighting, and generous storage throughout.
The U-shaped galley is exceptionally well appointed with Corian countertops, twin stainless sinks, a 3-burner stove with oven, a large 190-litre fridge, and intelligent storage solutions — ideal for extended cruising or entertaining aboard.
The forward owner's cabin offers a true island berth, abundant storage, excellent natural light and ventilation, and direct access to a spacious ensuite with separate shower and quiet-flush electric freshwater toilet. Two generous aft cabins provide equally impressive volume, light, and privacy, supported by a second well-appointed heads.
The yacht is fully equipped with the Raymarine Offshore Electronics Pack, including electric winches, twin Axiom+ 9” multifunction displays, autopilot with gyrocompass, wind instrumentation, VHF, and Navionics cartography — ensuring confident navigation wherever your cruising plans take you.
This Jeanneau Sun Odyssey 455 represents a rare opportunity to own the very first example of this highly anticipated new model, offering cutting-edge design, proven sailing performance, and outstanding comfort. A superb choice for owners seeking a modern cruiser ready to sail away.

Don't want to wait until June to see the all new SO455 in the UK, contact us to arrange a personal tour of the Jeanneau factory tour and and see for yourself our next generation of cruising boat.

Accommodation
