Broker Remarks
End of season reduction on this very well maintained and upgraded UFO 31. This proven cruiser racer has achieved many podium finishes in club racing. A modern classic. Some of the UFO's were home finished, this one was fitted and finished by the Landamores Boatyard who are the preferred versions. There are many enhancements to include replacement engine and drive system, new sails by North, spray dodger canvas, standing rig and much more. Here is the ideal club racer and coastal cruiser.
