Broker Remarks
This 1970 Hillyard 9 Ton is a well-maintained and extensively upgraded example of classic British yacht design. Built by David Hillyard, she features mahogany planking on oak ribs, a replaced iroko sheer strake, epoxy- and glass-sheathed marine plywood decks, and solid mahogany cabin and cockpit combings.
Recent upgrades include bronze portlights, stainless steel chain plates and mast fittings, teak grab rails, and a fully rebuilt wheelhouse shelter. The original internal iron ballast has been replaced with 1.5 tons of lead ingots for improved stability.
Mechanically sound, she's powered by a Perkins 4107 with hydraulic wheel steering. Rigging includes a spruce mast, stainless standing rigging (new 2015), roller genoa, slab reefing, and sails by Dartmouth Sails (2017).
Below, she sleeps five in three separate areas, with a Dickenson solid fuel stove, Taylor's paraffin stove (new burners), and LED lighting throughout. Navigation equipment includes GPS, autopilot, VHF, and depth/speed instruments.
Equipped with bronze deck gear, quality ground tackle, winter cover, beaching legs, and a dinghy, she's a capable and characterful cruiser with significant investment already made.

Accommodation
Sleeps 5 in three cabins which includes the saloon
Single V berths in the forward cabin
Port and starboard single settee berths in the saloon
Aft cabin with a port side single berth
Separate head with a Jabsco sea seawater toilet in the aft cabin
Small galley to port aft of the saloon
Dickenson solid fuel stove, properly installed with a stainless flue and water iron deck fitting
Taylor's paraffin 029 Stove (NEW BURNER 2025 spare for the second burner available but not fitted)
Single stainless steel hand basin with manual cold water
LED cabin and head lights
Drop-leaf cabin table

Mechanical and Rigging
Construction:
Built by David Hillyard in 1970
Wood construction

Mahogany planking 1" on oak ribs 6" centres, doubled at midships for mast & rigging stresses
Grown oak stem & stern
Elm keel
Cast iron ballast keel
The ballast is lead ingots, one & a half tons in total which replaced the original internal iron pigs (Iron pigs shed rust & collect bilge sludge, blocking the lumber holes and start to smell after a few years
Sheer strake replaced with iroko
Rubbing strake & toe rails replaced with mahogany
All decking replaced with high-quality marine plywood, as per the original, epoxy- & glass-sheathed
Complete cabin/cockpit combings replaced with 1" mahogany, as original
Wheel shelter rebuilt
All perspex windows replaced with bronze portlights
External grab rails replaced with teak, through bolted
Stemhead, chain plates, all mast fittings & rudder hardware replaced with stainless as per original pattern or heavier
Hydraulic wheel steering
Stainless steel fuel tank with increased capacity

Part 1 Registered 340111

Mechanics:

Perkins 4107 serviced, new filters, seawater impeller changed
TMP gearbox & one for spares
Shaft driven
Hydraulic wheel steering replaced the original bicycle chain & cable

Electrics:
12v batteries
Charging from engine alternator
LED cabin & heads lights

Tankage:
Fuel capacity 173 litres in a stainless steel tank (this is an increased capacity from the original by 30 litres)
Freshwater capacity 60 litres in a plastic tank (plus 4 x 25 litres individual containers)

Rigging:
Spruce mast finished with 12 coats of Colene

© yachtadvert.com 2026

Single spreader rig
Stainless steel standing rigging, twin forestay, movable baby stay (NEW 2015)

Stainless steel staunchions & rails replaced the original galvanised water pipe.
Sailspar roller reefing genoa furler
Slab reefing with 3 reefs
Antal mainsail track with cars

Sails:
Fully battened mainsail by Dartmouth Sails (NEW 2017)
Genoa by Dartmouth Sails (NEW 2017)

Inventory
Navigation Aids:
Clipper Duet
Autohelm 3000 autopilot with serviceable spare units
Steering compass
Furuno GPS,GP-32
Navman 7200, DSC, VHF radio

Ground Tackle:
Bronze Muir (NZ) anchor winch
CQR main anchor
8kg kedge anchor
30 metres galvanised calibrated chain

Deck Gear:
Stainless steel staunchions & solid handrails replaced the original galvanised water pipe

Cast iron bollards replaced with BRONZE using originals as a pattern
Bronze fairleads
Bronze genoa tracks & genoa cars
Bronze self tailing sheet winches
Bronze main halyard winch

Safety Equipment:
All Safety equipment listed is included in the sale, but the vendor offers no warranties.
The purchaser must service the safety equipment, ensure it is appropriate for his purposes, & check the expiry and
service dates on all items!
Horseshoe lifebuoy
Rescue sling
Electric bilge pump
Manual bilge pump
LED Tricolour/anchor light
