Divers

Broker Remarks
This Beneteau Oceanis 48 is a well-equipped and privately owned cruising yacht, currently located in Bodrum. Designed by Berret-Racoupeau, she offers an excellent balance of performance, comfort and ease of handling.
This particular example stands out with her extensive factory-fitted options, including generator, air conditioning in all cabins and saloon, dishwasher, solar panels and a full navigation package with multiple chartplotters and autopilot.
She has been carefully maintained and recently serviced in 2024, with all systems checked and ready for the season. Featuring a spacious cockpit with twin helm stations, electric bathing platform and wide side decks, she is perfectly suited for family cruising or extended stays onboard.
A truly turnkey yacht, ready to sail without any additional investment.

Accommodation
The Beneteau Oceanis 48 offers a spacious and well-designed 3-cabin layout, comfortably accommodating up to 6 guests. The interior is bright and airy, with large hull windows and an open-plan saloon creating a welcoming onboard atmosphere.
The forward master cabin features a generous double berth and en-suite bathroom, while two aft guest cabins provide comfortable accommodation for additional guests. A second bathroom serves the aft cabins.
The saloon is designed for both relaxation and functionality, with a large dining area, ample seating and a fully equipped galley. Air conditioning is fitted throughout all cabins and the saloon, ensuring comfort in all climates.
This layout makes the yacht ideal for family cruising or extended stays onboard, combining practicality with a high level of comfort.

Mechanical and Rigging
Yanmar 75 HP diesel engine with approximately 1880 engine hours, coupled with a saildrive system. The engine has been regularly serviced and was fully checked during the 2024 maintenance period.
The yacht features a sloop rig with furling mainsail and furling genoa, providing ease of handling and efficient sailing performance. All sail handling systems are designed for short-handed cruising.
Equipped with bow thruster for easy manoeuvring in marinas and tight spaces. The Lewmar electric windlass is complemented by chain counter and cockpit control for safe anchoring operations.
Twin helm steering configuration offers excellent visibility and control under both sail and engine, making her a comfortable and user-friendly cruising yacht.
