Broker Remarks
The Bavaria 37 Cruiser offers everything a great sailboat should. At an accessible length of 37 feet, this model is a good compromise between easy, comfortable cruises and cruiser/racers. The cockpit, which is very spacious, is a real asset when maneuvering with a crew. Designed for cruising, the Bavaria 37 Cruiser has also been recognized for its technical performance and seafaring qualities. Hence it was nominated “European Yacht of the Year” in 2014.
One owner from new, never chartered. The boat's condition is excellent. She is ready for sailing where ever you wish to go!
