Divers

Broker Remarks
The Westerly Storm 33 is a performance cruiser designed with both speed and comfort in mind. These are solidly built cruising yachts that sail well upwind and have been known to do well in races. They are praised for their seaworthiness and overall sailing performance. Rated for coastal and offshore sailing, this is an ideal boat for exploring coastlines and/or crossing the channel.

Rollercoaster of Yealm has been very well cared for by its current owner, who has owned the boat for 24 years, keeping up with maintenance and regularly having the engine serviced during that time. Down below, the accommodation is spacious and comfortable with 6 berths in fore and aft cabins and the saloon. She has a fully functioning galley and heads. She comes with a full complement of sails, including a spinnaker and a whole host of equipment, navigational and otherwise.

She is available for to be viewed in Gosport, please contact Douglas Ross on 07469972705 to arrange a viewing.
