Broker Remarks
A traditional Nordic Folkboat offering the perfect blend of classic character, seaworthy performance and timeless Scandinavian design.

Renowned for their elegant lines, simplicity and excellent sailing qualities, Nordic folkboats are equally at home coastal cruising, weekend sailing or competing on the racecourse. Their easily handled rig, responsive helm and reassuring stability make them a pleasure to sail, while the distinctive clinker-style hull and low-profile cabin give the boat an unmistakable classic appearance.

This is a boat for sailors who appreciate genuine character and want something with a strong pedigree rather than a mass-produced modern yacht. The Nordic Folkboats design has stood the test of time, remaining popular with both cruising sailors and traditional-boat enthusiasts around the world.

She is setup for racing and is fully class compliant. She comes with a road worthy trailer.

She is available to view in Lymington. If you would like to arrange a viewing, please contact Douglas Ross on 07469972705.
