Broker Remarks
This well-maintained 2006 Jeanneau sailing yacht presents an excellent opportunity to acquire a well-specified example that has benefited from considerable care, maintenance and investment over the years. She was purchased by her current owner in excellent condition, following a period of conscientious ownership by her previous owners, who undertook a programme of maintenance and upgrades to ensure she was well equipped for comfortable and enjoyable cruising.
The current owner is an experienced yachtsman who has owned and purchased numerous yachts over the years. Having acquired this Jeanneau in excellent condition, this creates an opportunity for a new owner to enjoy a vessel that has already benefited from significant investment and thoughtful improvements.
Her maintenance history and specification are particularly noteworthy. Highlights include standing rigging replaced in 2019, a Harken MKIV genoa furling system fitted in 2020, mainsail and genoa replaced in 2017, Raymarine autopilot upgrades, AIS transponder installation and replacement cockpit canvas, including sprayhood, wheel cover and halyard bags, in 2020. Further equipment includes a Gori folding propeller, Eberspächer diesel cabin heating, solar charging and a comprehensive navigation suite incorporating radar, chartplotter and AIS.
Below deck, her spacious and practical interior provides accommodation for up to seven across two cabins and the saloon. The well-equipped galley and owner 's-version heads compartment, complete with separate shower, make her a comfortable proposition for weekends away, family cruising and longer coastal passages.
On deck, she benefits from quality Harken deck hardware, teak cockpit seating, a walk-through transom and a convenient sugar-scoop bathing platform. The well-arranged cockpit offers a practical and comfortable space for both sailing and relaxing at anchor.
Based in Polruan, Cornwall, she offers an excellent starting point for exploring the beautiful cruising grounds of the South West. She is scheduled to be hauled out and stored ashore for the winter, providing a convenient opportunity for prospective purchasers to inspect her out of the water.
A well-equipped and thoughtfully maintained Jeanneau, with a strong history of previous-owner investment and an experienced current owner, she deserves serious consideration from anyone seeking a capable cruising yacht with many desirable features already in place.

Accommodation
Sleeps 7 in 2 cabins and the saloon
Large double V berth in forepeak with shelf and locker storage

© yachtadvert.com 2026

Cshaped seating to starboard in the saloon with a drop down double berth conversion
Port side single settee berth
Large saloon table
