Divers

This 2007 Jeanneau Sun Odyssey 42 Deck Saloon is powered by a Yanmar 54HP shaft driven diesel engine with about 1900 engine hours.. Her layout consists of a large owners aft cabin with island berth and a large visitors cabin forward, bright roomy saloon, galley, chart table and twin heads. Her inventory includes twin wheels, bow thruster, furling mainsail, furling genoa, electric primary winches, electric windlass, wind speed/angle, log, depth, chart-plotter, radar, auto-pilot, hot water, heating, spray hood and much more. Viewing is recommended.

<h3>Mechanical Systems:</h3> Bow thruster Webasto AT5000 hot air heating Engine Updates <ul type="disc">
May 2022- Following the delivery trip from Blankenberge, to Crosshaven in May 2022 which took just short of 5 days where the owner motored the entire way home due to a lack of wind, he noticed some wear on the fan belts. When he consulted with an engineer, he recommended to replace the fly wheel with wider wheel and a new fan belt which was completed in 2022.
Engine winterisation and service each year since 2022.
Tachometer not displaying

<h3>Electrical Systems:</h3> 1x 12V/100Ah Engine battery 3x 12V/100Ah Service batteries 1x 12V Bow thruster battery Shore-power with cable Cristec 12v 40 Ah Battery charger
