Various

Broker Remarks
The Jeanneau Sun Odyessy 389 is a first class cruising yacht. She sleeps 6 in three large cabins. The saloon is spacious and bright with a large dining table. The heads has a separate shower area and vanity unit.

Windcatcher is the sought-after Life keel model. With the keel down her draft is 2.2m giving great performance, but when up she draws just 1.1m so can take the ground and explore the very shallowest of cruising grounds. Many of these yachts have been taken through the French canal system to the Med.

She is very well equipped with quality new sails from Sanders in Lymington. Her Yanmar engine has been regularly serviced and she has a new Garmin Plotter installed at the helm position. For crew comfort she has hot water throughout and a hot air heating system as well as shore power.

This Jeanneau 389 is in very good condition throughout.

She is available to be viewed 7 days a week in Lymington Hampshire. Please call Howard Ross on 07590 847548 for more information and to arrange a viewing.

Accommodation
The Jeanneau 389 is a spacious very comfortable cruiser sleeping 8 in three large double cabins. The saloon is bright and airy with a large folding dining table. The heads is large with a shower area. The galley has a oven with a burner hob, a refrigerator and plenty of storage.
