Broker Remarks
Handelis is a beautifully maintained traditional Bodrum Tirhandil, designed by Mazlum A?an and built in Bodrum, representing authentic Turkish classic yacht craftsmanship. This 14.60-metre wooden sailing yacht combines timeless lines with practical upgrades for comfortable cruising.
She underwent a major structural rebuild in 2016 at Aganlar Shipyard, including extensive frame renewal and complete epoxy lamination, significantly enhancing her structural integrity while preserving her classic character.
Powered by a 2015 Yanmar 240 HP diesel engine with only 304 engine hours, Handelis offers reliable cruising performance with a top speed of approximately 8–9 knots. Her traditional cutter rig, single wooden mast, long keel hull, wheel and tiller steering make her a true classic sailing yacht.
Accommodation includes 1 cabin with berths for up to 4 guests, a spacious saloon, large galley, twin Dometic refrigerators, LPG cooker with oven, manual Jabsco head, bow thruster, inverter, shore power, B&G navigation electronics and electric windlass.
Currently lying in Alaçat? Marina, Turkey.

Accommodation
Traditional accommodation for up to 4 guests in 1 cabin layout. Port side double berth and starboard twin bunk berths. Spacious saloon with dining table, large galley with 2 x Dometic refrigerators, LPG cooker and oven. 1 manual Jabsco WC with shower facility. A practical and authentic interior layout suitable for comfortable coastal cruising.

Mechanical and Rigging
Single Yanmar 4LHA-STP 240 HP diesel engine (2015) with only 304 engine hours, shaft drive and approximately 8–9 knots top speed. Traditional cutter rig with single wooden mast, long keel hull and wheel plus tiller steering. Equipped with bow thruster, electric windlass, inverter, shore power and dual battery charging system. Navigation equipment includes B&G GPS, chartplotter and autopilot, VHF radio and depth sounder. Major
