Remarks :
<h1>2018 Scarab 165 Jet Boat has only operated for 44 hours and has to be one of the best kept used boats I have ever seen. It has been meticulously looked after and is in as new condition, has many upgrades, including second manual bilge pump, spare battery, waterski mirror, brand new Scarab trailering cover, the boat comes complete with all paperwork and all maintenance records. Call 01202 669554 for full details.</h1>
Accommodation :
<h2>What are the benefits of choosing a Scarab Jet Boat?</h2> Jet Propulsion Performance The Legendary Rotax 4-TEC Engine is the most proven technology in jet propulsion. With over 550,000 currently in operation and three power levels from one proven block.   Direct Power Gives You Maximum Power Unlike a conventional prop engine, which pushes water in a dispensed pattern, Rotax Jet Power concentrates thrust. An onboard impeller pulls water in and forces it out at a single point for maximum power. Less wasted engine power means more power in your throttle hand.   Advanced Safety Scarabs are designed from the ground up so you will always enjoy a fun and care free days on the water. With Rotax® Jet Power, you do not need to worry about a propeller when swimming or skiing near the boat. You also have peace of mind knowing that your Scarab has a very shallow draft allowing you to avoid below water obstructions and the ability to safely navigate almost any part of the waters.   Closed-Loop-Engine Cooling Protects the engine from harmful salt, gunk and corrosion by cooling it with clean coolant like a car. Like your car, every Scarab has a thermostat to ensure optimal engine temperature for engine reliability.   Drive Shaft Sleeve Helps prevent the problem of wrapping debris, such as tow ropes and weeds, around drive shafts while other systems can only try to fix the problem after it occurs.   Lateral Thrust Control Delivers Quicker Reverse Unlike other boats, which feature a small, plastic reverse gate, our aluminium reverse gate offers unmatched low-speed manoeuvrability to make docking a breeze.
