<h3>Brokers Remarks: Beneteau 36CC for sale in Kent Â£47500</h3> An attractive and highly practical Beneteau 36 CC, offering spacious accommodation, a comfortable central cockpit and an excellent cruising layout. This 1999 Beneteau 36 CC is a particularly versatile cruising yacht, combining the renowned practicality of the Beneteau design with a surprisingly spacious interior. Presented in good condition, she benefits from attractive green upholstery and a well-appointed accommodation layout which makes her equally appealing for weekends away, coastal cruising or longer periods aboard. The central cockpit is a key feature, providing comfortable seating for up to six people together with excellent storage. It creates a sociable and protected area for entertaining and relaxing whilst underway or at anchor. The companionway leads below to the accommodation and also provides access to the engine compartment, which houses the Volvo MD2040 diesel engine. which has completed only 380 hours as at 25th September 2026. Below decks, the yacht has a light, comfortable and exceptionally practical layout. The aft cabin offers an offset double berth, curved seating area, hanging wardrobe and useful storage, with access to the aft end of the engine compartment. The adjoining large heads compartment incorporates a marine toilet, shower and washbasin with hot and cold water. Hot water is supplied by the engine

calorifier and a 240V immersion heater. The linear galley is particularly well designed for cruising, with a fridge and freezer compartment, generous storage, ample food preparation space and a double sink with hot and cold water. Cooking is provided by a two-burner gas hob with oven and grill, with a useful crash bar for additional security when underway. With over 6ft of headroom, the galley is a comfortable and genuinely usable working space. The spacious saloon provides an L-shaped settee to port which converts into a single berth, with a further single berth to starboard. Aft of the saloon is a substantial navigation station, incorporating an array of navigational instruments and dedicated storage for charts and pilot books. The position of the navigation station also gives convenient access to the heads. The forward cabin provides a comfortable V-shaped double berth, complemented by two hanging lockers and additional storage, giving the yacht two separate double sleeping areas together with the additional saloon berths. From a sailing perspective, she is equipped with a furling headsail and approximately 80% battened mainsail with lazyjacks, providing a straightforward and manageable sail-handling arrangement that is particularly suited to cruising and short-handed sailing. Her navigation and communications equipment includes a Standard Horizon chartplotter, autopilot, DSC VHF and NAVTEX, while Webasto diesel-fired cabin heating adds a valuable level of comfort for spring and autumn cruising. A TV is also fitted for onboard entertainment. The Beneteau 36 CC is a design that makes very efficient use of the available space, and this example offers a compelling combination of comfortable accommodation, excellent storage, practical cruising facilities and a sociable central cockpit. With her Volvo diesel, manageable sail plan, comprehensive navigation equipment and diesel heating, she represents a well-equipped and versatile cruising yacht, ready to provide many enjoyable seasons afloat.

Early viewing is recommended. Please call our Kent Office +44 (0)1634 571605 for further information or to arrange a viewing.

<h3>Accommodation:</h3>
The accommodation aboard this 1999 Beneteau 36 CC is presented in good condition, with attractive green upholstery throughout and a well-designed interior that makes excellent use of the available space. The layout provides comfortable accommodation for cruising, with generous storage, good headroom and excellent facilities for both owners and guests. <h4>Aft Cabin & Heads</h4> The spacious aft cabin features an offset double berth with a comfortable curved seating area, hanging wardrobe and useful storage. There is also access to the aft end of the engine compartment. The cabin leads directly into the large heads compartment, which is particularly well appointed for a yacht of this size. It incorporates a marine toilet, washbasin with hot and cold running water and a shower area. Hot water is supplied by the engine's calorifier and supplemented by a 240V immersion heater, providing flexibility whether underway or connected to shore power. There is a door inot the saloon. <h4>Galley</h4> Forward of the aft cabin and to port is the linear galley, offering an impressive amount of workspace and storage. The galley is well equipped for extended cruising and includes a fridge, freezer and extensive storage lockers, generous food preparation surfaces and a double stainless-steel sink with hot and cold water. Cooking facilities comprise a two-burner gas hob with oven and grill, together with a useful galley crash bar providing additional security when cooking underway. The galley also benefits from over 6ft of headroom, making it a particularly comfortable and practical working area. <h4>Saloon</h4> The main saloon is spacious and comfortable, with attractive green upholstery and a versatile sleeping arrangement. An L-shaped settee to port converts to a single berth, while a further single berth is provided to starboard. There is good natural light throughout the saloon, together with useful storage for longer cruises. <h4>Navigation Station</h4> Aft of the saloon is a large navigation station, providing an excellent dedicated area for passage planning and navigation. It is equipped with an array of navigational instruments and has generous storage for charts, pilot books and other cruising publications. The navigation area also provides convenient access to the heads compartment. <h4>Forward Cabin</h4> The forward cabin features a comfortable V-shaped double berth, with two hanging lockers and additional storage. The separate forward sleeping area provides privacy for owners or guests and complements the practical accommodation layout throughout the yacht. <h4>Cockpit

© yachtadvert.com 2026

& Access</h4> The companionway steps provide convenient access to the engine compartment and lead up to the spacious central cockpit. The cockpit is one of the yacht's particularly attractive features, offering comfortable seating for up to six people and good built-in storage. The central cockpit layout provides a sociable area for entertaining and relaxing while also giving the helmsman excellent control and visibility. Overall, the interior and cockpit provide a comfortable, practical and unusually spacious cruising environment for a 36ft yacht, with well-planned accommodation, excellent storage, good headroom and facilities designed for comfortable extended cruising.

<h3>History
and Construction:</h3> This Beneteau 36CC was built in 1999 by Beneteau to a Berret - Racoupeau design. The boat has a white GRP hull with a white superstructure and decks with non-slip surfaces, with stainless steel stanchions, a stainless-steel pulpit, a winged fin keel with a spade rudder and a self-draining cockpit. The hull was copper-coated in 2022 as a preventative measure. The yacht was last out of the water in November 24 to check and clean the hull, which was polished, and for anode replacement. The current owner has enjoyed the vessel for the last 8 years and is looking to move away from sailing due to age, illness and a lack of time. The yacht has had 2 previous owners.
