Remarks :
An exceptional opportunity to acquire a beautifully presented and highly versatile Fairline Targa 52, lying in Chichester Marina and currently maintained to an excellent standard by experienced owners. The Fairline Targa 52 remains one of the most sought-after luxury sports cruisers in her class, combining timeless styling, exhilarating performance, generous entertaining spaces and genuinely comfortable long-range cruising capability. Built to Fairline’s renowned standards of craftsmanship and sea-keeping, she delivers the perfect balance between luxury motor yacht accommodation and offshore performance. This particular example stands out from the market due to her impressive specification, continual upgrading, and rare commercial coding for private charter use. The vessel has successfully operated as a boutique private charter yacht, providing an excellent opportunity for a new owner to offset annual ownership costs through established charter activity if desired. Equally, she can immediately revert to exclusive private use. Powered by twin Volvo Penta 715 diesel engines, the Targa 52 offers confident cruising performance with effortless handling, making her equally suited to Solent cruising, cross-Channel passages, coastal entertaining and extended weekends aboard. Her deep-V Fairline hull provides reassuring stability and a remarkably dry ride in varying sea conditions. The expansive cockpit layout has been designed with entertaining in mind, featuring generous seating, large sunpads, wet bar facilities and excellent social flow throughout. Below decks, the accommodation is both luxurious and practical, with beautifully crafted timber cabinetry, spacious saloon seating, a fully equipped galley and comfortable sleeping arrangements for family and guests. The three-cabin layout provides impressive volume for a yacht of this size, making her equally capable as a family cruiser or premium charter platform. This vessel benefits from continuous professional maintenance and presents extremely well throughout. Her current coding status, proven charter appeal and strong Fairline pedigree make her a particularly attractive proposition in today’s market. No expense has been spared on maintaining and updating the boat which includes and full suite of Raymarine Equipment and full exterior set of silvertex cushions. Early viewing is strongly recommended, as Fairline Targa 52s of this calibre rarely become available.
Accommodation :
Three double cabins
Reverse cycle air conditioning to all areas - Serviced 2025
High gloss cherry wood
New blinds throughout - Forward Cabin: Island double berth with storage below
2 x wardrobes
