Divers

Remarks :

The Nimbus 280 Coupe is an extremely well made, quality Scandinavian cruiser which gives a stable and comfortable ride. They are equally at home on rivers, open water coastal passages or French canals.

Jillian has been well maintained and upgraded by her present owners. She has all the equipment needed for comfortable cruising. There is a pressurized hot water system in the galley and heads and a hot air heating system in the cabin. The galley has a stainless steel sink, twin burner oven and a refrigerator with ice box. She is easily handled benefiting from a bow thruster, twin tabs and electric windlass. A new Simrad plotter and Simrad DSC/VHF which have been added recently. She has an autohelm , electric windlass and radar.

Her engine is a reliable Volvo TAMD 31 with 150 hp which has been regularly serviced and in very good order.

She is available to be viewed seven days a week at Hythe Marina Village ,Hampshire.

Accommodation :

The Nimbus 280 coupe sleeps 5 . The forward area has twin berths with a fill in table thats makes into a double. There is a large quarter berth to port midships. The heads has a sea toilet ,sink with hot water and storage. The galley has a twin burner oven,fridge and storage.
