Broker Remarks
The Sedna 26 is a light, fast, manoeuvrable lift keel cruising yacht with a shallow draft and an elegantly designed layout. 'Griffin' is the perfect boat for those who love to sail and like to keep things simple. Ideal for day and weekend trips, the Sedna 26's layout down below provides ample space for 6 people to sleep with generous standing headroom in the saloon; large windows and light coloured woodwork contribute to a light, airy feel. She has a lifting keel with a minimum draft of 0.4m and a maximum draft of 1.67m allowing you to point to wind with ease and confidence and giving you the option of shallow draft locations such as uprivers. The lowering mast can be operated by one person and sits in a cradle to aft, meaning the french canals are an option for this boat and your crew. This is a fun, exciting boat to sail that is very responsive and has a good turn of speed. She sails well with a fully battened mainsail, upgraded Lewmar winches and all lines lead aft to cockpit for ease of handling.

'Griffin' has been well maintained and cared for by both of her owners since being new in 2018. The standing and running rigging are in good condition and the 6hp outboard engine is sturdy and reliable. The Sedna 26 is known to be a hassle free low maintenance yacht and 'Griffin' is ready to sail away immediately.
