Broker Remarks
Some boats are built to impress at the dock. A Nordic Folkboat is built to inspire confidence wherever the wind takes you. Renowned for it's graceful lines, exceptional balance and legendary seaworthiness, the folkboat has earned a devoted following for generations. Designed to thrive in everything from light summer breezes to challenging offshore conditions, it offers a sailing experience that is pure, responsive and deeply rewarding.

With its classic Scandinavian craftsmanship, long keel and beautifully proportioned hull, the Folkboat tracks effortlessly, points high into the wind and delivers the kind of reassuring stability that makes every passage a pleasure. Whether you're daysailing, cruising the coast or winning club races, this yacht rewards skill while remaining forgiving and predictable.

Below deck, the cabin is thoughtfully laid out, simple and practical. She offers comfortable accommodation for weekend adventures without sacrificing the boats elegant character. Every detail reflects the philosophy that has made the Folkboat one of the worlds most enduring yacht designs: build it well, keep it simple and let the sailing speak for itself.

This is an opportunity to own a genuine sailing icon. A boat rich with heritage an active international community and a reputation for holding its value thanks to its timeless appeal.

'Paloma' has been well cared for and maintained by her current owner, she is class compliant and has been maintained with the Nordic Folkboat class rules. She is available to view in Lymington please contact Douglas Ross on 07469972705 to arrange a viewing.
