Remarks :

We are pleased to bring to market this Stingher 900 GT custom rib.. Fitted with a single Mercury Verado 400hp engine which provides an incredible amount of performance, power and endless thrills she is sure to impress even the most seasoned of boaters. The Stinger 900 GT has a robust but lightweight hull and is combined with inflatable tubes for superior buoyancy and stability. The boat's hull design is often optimised for high-speed performance, with a deep V-shaped hull that helps to cut through waves smoothly.

An impressive amount of seating and sun bathing space can be found aboard 'Tiger Blue'. An aft bench seat with rear facing seat allows for 4 people to comfortably sit aft whilst the captain and co-pilot can sit back in comfort and absorb the roughest of conditions in the generously proportioned Scott, wingback, shock mitigation seats. Forward in the bow area a huge sun pad is found allowing for several people to relax and soak up the sun in.

'Tiger Blue' is a stunning example of this luxurious and quality built rib. She has been lightly used since new and particularly well cared for. She has been kept under cover in a dry stack when not in use so presents particularly well.

Please call us on 01243 550042 for more information and to arrange a viewing.
