Remarks :
*** Part exchange considered ***

This particular example is afloat with us in Chichester Marina and can be viewed at a moments notice.

The specification of this boat is for this exact example. Further custom options can be added by local professionals to create your dream boat!

The Merry Fisher 895 Series 2 reinterprets all the strengths that have made the Merry Fisher a worldwide success: modular spaces, safe, easy movement on board for the whole family, and surprising accommodations for a boat of 8 metres, with two separate cabins, a spacious head compartment, and the ability to cruise with six people on board, owing to the saloon, which transforms into a double berth.

This new version integrates an elongated line, inspired by larger models of the new generation. Contemporary windows in the hull and the coachroof, with its distinctive design, integrate seamlessly into a powerful, sporty silhouette. The new hull enables planing from 20 knots, ensuring comfort and manoeuvrability.

This new example was constructed in 2024 to a 2025 specification and priced to include twin Yamaha 150hp drive by wire engines (engine and pre-rig upgrades available), Premier pack, comfort pack, front sun pads, double berth conversion, overhead lockers in galley and front cabin and inside curtains. A number of bespoke upgrades and electronics can be fitted locally to ensure the boat meets the new owners requirements.

Please call us on 01243 550042 for more information.

Accommodation :

Saloon:

Large Windows, Opening Window to Port

Table and Seating - Converts to Double Berth

Curtain Pack

Double berth complement in saloon

Helm position with Side Door to Starboard

Galley - to starboard in saloon:

Sink

Hob, Two Gas Rings

Refrigerator 60l 12volt

Hot Water System

Heads Compartment:

Marine Head with holding tank

Sink

Shower

Master Cabin:

There is a large 2m long island berth double in the master, forward cabin that also has a large storage under the berth. This cabin also has the upgraded storage lockers overhead. This cabin has a large amount of light coming in from the long sea vision inspired portholes and the deck hatch which allows for ventilation. This cabin also has the option extra overhead storage lockers fitted and has a hanging wardrobe on the Portside. This cabin also has ambient, indirect LED lighting as part of the Premier pack.

Second Cabin:

The second cabin is situated on the port side, has a generous sleeping area, good natural light from port hole as well as from the sky light and also incorporates a seat. Under the berth is additional storage as well as a hanging cupboard.
