Further custom options can be added by local professionals to create your dream boat!</div><p>The Merry Fisher 895 Series 2 reinterprets all the strengths that have made the Merry Fisher a worldwide success: modular spaces, safe, easy movement on board for the whole family, and surprising accommodations for a boat of 8 metres, with two separate cabins, a spacious head compartment, and the ability to cruise with six people on board, owing to the saloon, which transforms into a double berth.</p><p>This new version integrates an elongated line, inspired by larger models of the new generation. Contemporary windows in the hull and the coachroof, with its distinctive design, integrate seamlessly into a powerful, sporty silhouette. The new hull enables planing from 20 knots, ensuring comfort and manoeuvrability.</p><p>This new example was constructed in 2024 to a 2025 specification and priced to include twin Yamaha 150hp drive by wire engines (engine and pre-rig upgrades available), Premier pack, comfort pack, front sun pads, double berth conversion, overhead lockers in galley and front cabin and inside curtains.
