Additional Information

Design & Build

- The 250 SLX has a sleek, sporty design with smooth, flowing lines, a wide beam (8'6"), and a deep-V hull, which contributes to stable and comfortable handling.
- The boat's layout is open, allowing for great seating arrangements and easy movement between areas.
- The interior features high-end materials and finishes, with luxurious upholstery, stainless steel accents, and thoughtful attention to detail.

Cockpit & Seating

- The cockpit has an expansive, ergonomic layout with plenty of seating options, including an aft sun pad, a helm seat that swivels, and bow seating. It can comfortably accommodate up to 10 people.
- A wet bar, storage compartments, and integrated cup holders ensure a convenient and enjoyable time on the water.
- The helm features a sophisticated dash with modern instrumentation, including digital gauges and a premium stereo system.

Storage & Comfort

- The boat offers ample storage for gear, including a large bow locker, under-seat storage, and compartments for water toys.
- The forward cabin provides a small area for stowing away additional gear or taking a break from the sun, though the cabin is not large enough for overnight stays.

Performance & Handling

- The 250 SLX is known for its responsive handling and smooth ride, particularly in choppy waters. The deep-V hull and high-quality construction allow it to cut through waves easily, providing a comfortable, stable ride.
- It has a relatively shallow draft, making it suitable for exploring shallower areas or docking at smaller marinas.
- The boat's handling is intuitive, even at higher speeds, and it has excellent throttle response for quick acceleration.

Comfort & Amenities

- The Sea Ray 250 SLX is built for leisure and relaxation, offering an impressive set of amenities like a premium sound system, a built-in cooler, and ample seating options.
- The boat is designed to be family-friendly, with easy access to the water, comfortable seating, and plenty of space for socializing.
