<strong>Remarks :
<p><strong>Westerly Centaur</strong>&nbsp;<strong>for sale in Kent.</strong></p><p>This&nbsp;  circa
1976, <strong>Westerly Centaur </strong>offers a simple yet practical layout. The <strong>Westerly Centaur</strong> is
renowned for its excellent handling under sail.&nbsp;  This yacht has been owned by current owner for the past 30
years, with only one previous owner in its history. This boat is currently out of the water but is ready for viewing. The
yacht is being sold as seen and the owner is open to offers. A copy of the 2009 Survey is available upon viewing or by
request.&nbsp; A berth at Swale Marina is available by separate negotiation.</p><p><strong>Please call our Kent
&nbsp;– Chatham Office+44 (0)1634 571605 for further information or to arrange a
viewing.</strong><strong></strong></p>
<strong>Accommodation :</strong>
<p>This&nbsp; <strong>Westerly Centaur</strong>&nbsp; offers comfortable accommodation for up to four
people spread across two cabins.</p><p>The forepeak features a vee berth with convenient under-berth storage and
infill, which converts it into a double berth. The forepeak also benefits from shelf storage to both sides of the
berth.</p><p>Moving aft, there is a separate Head's compartment equipped with a marine toilet and a wash basin
supplied with manually pumped cold water.</p><p>Continuing towards the stern, the saloon offers a central sliding
table, surrounded by settee on both port and starboard sides, offering convenient under-seat and shelf storage behind.
The port settee easily transforms into a single berth.&nbsp; </p><p>Positioned on the starboard side aft within the
saloon, the galley has a gimbaled 2-burner gas stove, a single stainless-steel sink supplied with manual cold water, and
ample storage space. Adjacent to the galley sits a quarter berth. Additionally, this Westerly Centaur comes equipped
with a saloon-mounted CD player/radio.&nbsp; </p><p>Ascending the companionway leads to the aft cockpit,
complete with bench seating comfortably accommodating four people and offering generous storage within a deep
locker to port. The cockpit includes a compass, depth gauge, speed log, and engine controls.</p>

</strong></div><p><strong>Keel and Hull</strong>
```

Cast iron Bilge Keel with Skeg Rudder.

History & Construction:<p>Constructed by Westerly Yachts in circa 1976 to a Laurent Giles design. Featuring a red GRP hull adorned with a teak rubbing strake, self-draining cockpit, and white GRP decks with by brown non-slip surfaces. Its stability is ensured by cast iron twin bilge keels, with tiller steering and skeg rudder. </p><p>This Westerly Centaur has been enjoyed by the current owner for the past 30

years. A copy of a 2009 survey report is available upon request.</p><p>Marine Insurance:</p><p>As one the UK’s largest Brokers with over 700 boats for sale we are able to introduce you to Boat Insurance providers that offer all types of Boat Insurance including insurance for Yachts, Sailing Boats, Motor Cruisers, Narrowboats, Inland Waterway Craft, Barges, Houseboats, Speedboats, Rigid Inflatable Boats, Waterski Boats, Jet Skis, Personal Watercraft and Dinghies.</p><p>Just click on the following link to request an insurance quote for this boat or your current boat: www.networkyachtbrokerskent.co.uk/marineinsurance/</p>

Mechanical :

<p>Sails and Spars:</p><p>This Westerly Centaur features a masthead Bermudan sloop rig, with a deck-stepped aluminium mast and boom with stainless steel standing rigging. The age of the standing and running rigging is unknown. Equipped with a furling headsail and a slab reef mainsail, this vessel allows for efficient sailing in various conditions. </p><p>Winches: </p><p>1 x Halyard Winches</p><p>2 x Sheet Winches</p><p>Sails:</p><p>1 x Genoa</p><p>1 x Mainsail</p><p>Mechanical Systems:

The Westerly Centaur is equipped with a Watermota Sea Panther MK IV diesel engine, powering a shaft driven three bladed fixed propeller. This engine is supplied by a 45 Litre fuel tank, and is operated via Morse controls. This Westerly Centaur should expect a cruising speed of approximately 5 knots, with a maximum speed of approximately 7 knots. The current engine hours are unknown.

Electrical Systems:

This Westerly Centaur could be equipped with two 12-volt batteries, comprising one for engine use and one for domestic purposes. These batteries charge directly from the engine alternator. Batteries are currently not fitted. </p>
