Neptune Ketch 33 for Sale – Located in Kent

This well presented **Neptune 33 Ketch**, built in **1977**, is a fine example of a traditional long-keeled cruising yacht, renowned for its solid construction, seaworthiness, and comfortable accommodation. Designed for extended cruising or leisurely coastal sailing, this yacht provides a dependable and characterful experience on the water.

Offering **six berths across three cabins**, the Neptunian 33 is ideally suited for family sailing or longer trips with friends. The accommodation layout includes two separate **heads compartments**, providing added comfort and privacy. The interior reflects the classic craftsmanship of the late 1970s, with a warm and inviting atmosphere that blends practicality and charm.

This particular vessel benefits from a comprehensive specification. On the navigation side, she comes equipped with a **Garmin depth gauge**, **VHF radio**, **Raymarine speed/log**, **NASA wind speed and direction instruments**, and a **Garmin GPS 128 chartplotter** – ensuring you’re well-prepared for both coastal and offshore passages.

The yacht has also received several notable upgrades and maintenance works in recent years. A **new TMP gearbox** and **starter motor** have been fitted, ensuring reliable performance under power. The **standing rigging** was replaced in **2016**, while the **running rigging** was renewed in **2018**, demonstrating a well-maintained and cared-for rig setup. The sail wardrobe includes several sails, with the **genoa benefiting from a new UV strip added in 2024**.

Currently **ashore for annual maintenance**, this is an excellent opportunity to view the hull and underwater fittings before launch. For added peace of mind, a **copy of the 2024 survey report** is available for inspection during viewing.

A **berth at MDL Chatham Marina** may also be available by separate negotiation, making it a convenient option for buyers looking for a ready-to-enjoy cruising yacht.

The Neptunian 33 remains a popular choice among classic yacht enthusiasts who appreciate solid design, reliable handling, and comfortable living aboard.

For further details or to arrange a viewing, please contact our **Kent Office on +44 (0)1634 571605**.

Experience the timeless appeal and trusted capability of the Neptunian 33 Ketch – your next adventure awaits.

Accommodation :

The forepeak features two V-berths 6 feet in length, complemented by a generous standing area for changing. Storage is available throughout the cabin, with shelving and under-berth lockers.

The heads are located behind the forepeak to the port side, featuring a marine toilet, a sink with pressurised hot and cold water, Mirror and storage cupboard located above the sink. Hot water is provided by a Paloma gas water heater. Opposite the heads compartment on the starboard side is a hanging storage locker.

Moving Aft, the saloon features booth seating with a central table located on the portside with shelf storage behind, this area also converts to a double berth and includes storage under the seats. The saloon benefits from a Taylors Paraffin heater.

The linear Galley is located along the starboard side and is equipped with a gimbaled 2-burner gas hob with an oven and grill, a 12v cool box, a single stainless-steel sink with pressurized hot and cold water, and ample storage space. This vessel also benefits from a 378 Litre freshwater capacity with Hot water provided by the Paloma gas water heater.

Ascending the saloon companionway leads to the spacious centre cockpit, featuring seating to both port and starboard, a chart table with chart

storage underneath to port a central helm position with full engine controls, three forward and two side facing windscreens, generous storage and access to the engine compartment. The cockpit instrumentation includes a compass, depth gauge, wind direction indicator, speed log, wheel steering, and Chartplotter.

The aft cabin consists of two single berths to both port and starboard of the cabin with under berth storage along with a single hanging locker on the port side. Located on the starboard side is a heads compartment with a marine toilet, and a sink mounted in a vanity unit with hot and cold pressurised water.
