****GENTLEMAN'S CLASSIC LAUNCH | 1983 PEDRAZZINI ELBA DE LUXE****

In 1906, at just 22 years old, boatbuilder Augusto Pedrazzini left his home on Lake Como for Lake Zurich, where he laid the foundation for a family legacy that endures to this day. In 1914, he realised his dream of establishing his own boatyard — a tradition of craftsmanship and excellence that has continued for more than a century.

Every Pedrazzini built since then stands as a testament to the unparalleled skill and dedication synonymous with the Pedrazzini name. With high-grade teak grating on the bathing platform and solid mahogany planking forming the structural backbone, each element is meticulously handcrafted — the attention to detail unmistakable.

Among this rare lineage of classic creations is the 1983 Pedrazzini Elba De Luxe — an exceptional example of fine marine artistry. More than a vessel, it is a refined retreat on the water.

Key Features

- Fixed roof providing all-weather protection, which also doubles as a sunbathing area
- Large real-glass panes offering expansive panoramic views
- Spacious aft lounge area, thoughtfully sheltered from the wind
- Engines completely overhauled in 2019, upgraded with an advanced electronic injection system
- New batteries (2023)
- Engine service (December 2024)
- Regularly maintained to the highest standards

This seamless blend of modern engineering and classic design reflects the continuing evolution of the Pedrazzini brand.

Today, Claudio Pedrazzini, the fourth generation of this distinguished family, proudly upholds the legacy — preserving almost a century of tradition while continuing to innovate. Under his direction, Pedrazzini launches embody a remarkable fusion of Italian design flair and Swiss precision.

Opportunities to admire one of these wooden masterpieces up close are few; they remain a rare sight on the world's waterways.

This Pedrazzini Elba De Luxe is one of those fine and coveted examples.

Pedrazzini Gentleman's Launches, crafted for the fortunate few.
