## Divers

**Remarks :**

Commercial Submarine Motor Boat in perfect condition It is made of aluminum. The next inspection May 2019 6th registration of the Spanish List.&nbsp;Sailing hours - new engine 50 hours

Capacity 10 people.&nbsp;</p><p>- The vessel was going to be inspected in May 2019, but since then we have not passed the inspections since we have the vessel in dry dock. As I told you at the time, dedication to other family farms prevents us from providing this service. However, we may process the dry inspection prior to the delivery of the boat.

- The engine is new, it was installed shortly before deciding to ground and it has only 50 hours.

- The sale of a boat, new or used within the European community has no problem. The documentation for this boat is in order.</p>
