The Zodiac MilPro SRMN 600 is a professional-grade RIB (Rigid Inflatable Boat) designed for exceptional durability, versatility, and performance in demanding maritime conditions. Part of the renowned Sea RIB Marine & Navy series —trusted by the French Navy for nearly a century —this model is built to withstand the toughest environments.

Featuring a sealed deck and bonded collar, the SRMN 600 ensures superior buoyancy and safety. Its optimized size-to-power ratio delivers outstanding agility, even in rough waters. The boat is highly customizable, with options for various consoles, seating configurations, and built-in fuel tanks to suit mission-specific needs.

Designed for effortless deployment, the SRMN 600 is easy to launch from a trailer and comes equipped with strong lifting points for crane operations, making it ideal for professional, military, and rescue applications.

A true workhorse on the water —built to perform, built to last.
