The Monterey Montura 248 LS is a fantastic sports boat with comfortable accomodation making it the ideal boat for day and weekend trips on the water and this example has been well cared for and maintained by its current owner who has regularly serviced the engine and made various upgrades. She has recently been re-upholstered giving a classy feel to the cockpit which is spacious and comfortable with room to sit 7. She has a through transom entryway and an extended swim platform off the back.

Reaching top speeds of up to 48 knots she does not lack for power giving you the option of an exciting time out on the water and with a cruise speed of 32 knots she will get you from port to port in speed, style and comfort.
