Remarks :

The Hans Christian 34 is a robustly built, cutter-rigged double ender with heavy displacement and solid construction, giving it a seaworthiness that is hard to rival. Designed for bluewater long-distance cruising, this is a reliable and sturdy vessel that will look after you on your passage.

'Pompeon' is a 1978 Hans Christian 34 that has been well cared for by it's current owner. She has been upgraded over the years and underwent a significant refitting in 2023 which included updates to navigation systems, machinery and safety equipment. She is fully kitted out for an adventure on the high seas and comes with a comprehensive sail inventory including a storm jib and cruising spinnaker. The engine has been professionally serviced and is ready for long journeys.

The Hans Christian Cutter is known for its robust construction and seaworthiness, capable of handling challenging weather conditions and providing a safe and comfortable sailing experience.

The Hans Christian 34 offers safe and comfortable blue water cruising.

She can be viewed afloat in Lymington 7 days a week.

Accommodation :

The Hans Christian 34 sleeps 5 in a large forward double berth a large Starboard quarter berth and the saloon.

The interior is hand-fitted teak with a great deal of beautiful cabinetry and joiner work. The drawers are dovetailed and the cabin sole is teak and holly. She has an enormous amount of storage with hanging lockers, wet locker, and sliding door lockers with lots of additional under-seat storage as well. There is a comfortable berth forward followed by the head and shower combination to port. As you enter the-main salon a settee is to starboard and a U shaped dinette opposite which also converts to a double berth. The L shaped galley is located to port . And finally across to starboard is the large navigation table.
