## Divers

**Remarks :**

**PART EXCHANGE && FINANCE AVAILABLE ON THIS BOAT**

Morlo is a well built Aquastar 38 from 1994, offering the level of craftsmanship and seakeeping for which the marque is well known. With her twin Volvo shaft-drive diesels, upper and lower helm positions, and comprehensive electronics, she's a capable cruiser with real offshore pedigree.

Internally, she has the traditional warmth of solid wood joinery, a practical galley, generous saloon, and two spacious cabins including a full-beam aft owner's suite with en-suite.

The boat has been regularly maintained with useful upgrades including AIS, new batteries (2022), new solar panels 2023 and a new microwave (2023). Equally at home on coastal adventures or extended stays aboard, Morlo offers a lot of capability at this price point.

### **Accommodation :**
