Remarks :

This **Fairline 43 Flybridge** is a superb example of British motor boat craftsmanship, recently refreshed with a tasteful interior refit. Known for its spacious flybridge, robust hull construction, and smooth cruising performance, this model delivers comfortable liveaboard and cruising potential in equal measure. Now boasting new carpets, upholstery, and exterior cushions, the boat feels clean, modern, and inviting throughout. Both Volvo Penta diesel engines have been fully serviced, and all onboard systems checked and confirmed operational. A key feature is the hydraulic passerelle which doubles as a rib lift on the swim platform — ideal for Mediterranean use. She is currently afloat on her berth in Lefkas and offers excellent value as a floating villa in the Ionian.

Highlights Listed below but included in Full Specs:

- Recent refit with new carpets, upholstery, and cushions

- Engines serviced and all systems checked (2024) Fuel tanks cleaned 2024
- Hydraulic passerelle doubling as tender lift- serviced & new hoses fitted 2024
- Spacious two-cabin, two-head layout - with crew cabin in stern
- No teak in cockpit – low maintenance
- Currently afloat on berth in Lefkas, Ionian

- Strong value for a well-maintained flybridge cruiser

BROKER'S REMARKS

This Fairline 43 Flybridge represents a fantastic opportunity to own a true classic from a highly regarded British builder. With her recent updates and full servicing, she is ready to enjoy immediately. Whether used as a comfortable base in Greece or as a cruising platform to explore the wider Mediterranean, this boat ticks all the right boxes for practical layout, performance, and liveability.

HISTORY

This motor boat has spent recent years in the Ionian, used for private leisure cruising. She has been regularly maintained and was recently refitted with a new interior to improve comfort and appeal. Now afloat in Lefkas, she is ready to use and offers a fantastic platform for Mediterranean cruising or seasonal liveaboard use.
