Remarks :

A great opportunity to buy this lightly used 2024 BRIG Eagle 6.7. In the stunning black GRP with Black upholstery and just 36 hours run time she is not to be missed.

It is an evolution of BRIG's best-selling Eagle 650 luxury family sports cruiser/RIB. This new model inherits all the best features of its predecessor and has developed into the best family RIB of this size in the World. Sometimes, small changes make a big difference, and this is the case for Eagle 6.7. The deep V hull has been completely redesigned to improve seaworthiness, handling and stability, and the brand-new multi-purpose navigation mast adds a touch of elegance.

The seakeeping ability of the Eagle 6.7 doesn't compromise the performance associated with a sports RIB of this size. Instead the slightly higher tube position, and the extra-large sized engine shaft that increases the variety of compatible engines that can be used, ensures she remains fast, responsive and fuel efficient.

The Eagle 6.7 comes with: ORCA Hypalon Fabric Impression Tubes; SeaStar Hydraulic Steering; a Modern Console; Luxury Helm & Forward Facing Bench Seats; Stylish Ski Mast with White Navigation Light; a Square Bow that increases the space for Sociable Seating; Stern Tube End Steps with Non-slip Surface; Bimini; Stern Swim Platforms with Stainless Steel Telescopic Boarding Ladder; Stylish Moulded Splashwell with Integrated Rear Bench Seat; Hull & Deck design maximised for Storage; Extended Waterline & Integrated Trim Tabs; and a Self-draining Deck straight to sea + SBS R2/1900EL Braked Trailer & Lighting Board.
