## Divers

**<strong>Remarks :**

>The Jeanneau Espace 1000 is a spacious 10 metre cruising yacht built in the 1980s which has tiller steering in the cockpit with an inside steering position for inclement weather. This Jeanneau Espace 1000 has a main and genoa, both new in 2018, a cruising chute and heavy weather sails that have been lightly used. The boat has been in the same ownership since 1996 and sailed during the summer with winters ashore. This is a centreboard version and the owner tends to sail with the centreboard in the half down position all summer. Compass inflatable dinghy included in sale.

### Part exchange and finance available

**Accommodation :**

Bow cabin with twin berths converting with infill into a useful double. Opening hatch overhead. Hanging locker and shelving.

Door leading through to passageway with hanging locker to starboard and to port, door to the heads.&nbsp;

**Aft to port, door into double berth cabin with en-suite access to the heads.**

Linear galley to starboard, step up to wheelhouse and to port, step up to raised helm and navigation area with seat, instruments and engine controls.

Wheelhouse with bench settee to starboard and L shaped&nbsp; seating to port with&nbsp;drop leaves dining table. Both settees can be used as single berths. Good storage under the seating. Plenty of light from the wrap round screen, roof hatches, side and hull portlights. Two engine access hatches, under helm floor and under settee.&nbsp;

Sliding door and sliding hatch out to cockpit with all round seating, tiller steering and repeater instruments.&nbsp;

## Galley

### Plastimo 2 burner cooker, oven and grill

Refrigerator&amp;nbsp;

**Storage below and behind galley worktop.**

## Pressurised fresh water to galley

**Sea water tap, foot-pump operated.**

## Heads

Double bow roller  
Manual anchor windlass&nbsp;  
Stainless steel stanchions with twin guard wires  
Stern boarding ladder  
Cockpit spray dodgers  
Various warps and fenders

## Safety

Fire blanket  
Two horseshoe buoys, one with light  
Navigation lights  
Manual and electric bilge pumps  
Shaft rope cutter  
Radar reflector

Max draft 2.23m

Min draft 1.22m

Compass inflatable dinghy with slatted floor included

The hull has been epoxy coated in the past then overcoated with epoxide tar

The boat has been wintered ashore each year

Hull antifouled May 2025

Note, the centreboard keel during the summer sailing season is left in half down position, dropped by gravity and in this position considered by the owner to be optimum for general cruising. It can be prone to fouling with marine life then sticking. It can be freed off and cleaned whilst on the hard during winter storage.&nbsp; Photograph shows it in the half way position.
