Divers

Remarks :

The Protagon 25 Space combines incredible spaciousness with a performance driven deep-vee hull and powerful engine which offers an enthralling and engaged driving experience on the water. Her cutting edge twin stepped designed hull delivers sharp handling behind the wheel whilst the Honda 250hp outboard engine provides plenty of acceleration. A large sociable seating area both aft and forward allows for time aboard to be spent aboard leisurely. She also comes equipped with a huge toilet compartment, fridge, sink and a Fusion stereo system with speakers.

Lightly used from new, she presents particularly well and boasts a significant saving compared to the brand new equivalent.

Price includes winter storage in the Chichester area

Please call us on 01243 550042 for more information.
