Divers

Remarks :

This is a rare example of an incredibly built, fast family cruiser from Comfortina. She is ideal for short-handed adventures in comfort but would be more than capable of longer distance cruising. Imported from Germany by the current owners in 2007, she has been owned and cared for by two families from new. Finished in a striking navy blue hull with teak decks and a beautifully crafted interior she presents very well. She is now on the market only due to limited time to spend with her due to family and work commitments.

Please call us on 01243 550042 for more information and to book an appointment to view her.

Accommodation :

Accommodation:

Forecabin:

‘V’ berth with LED reading lights

Bedding recovered in blue Alcantara c. 2017

Under-bed storage for sails and winter cockpit cover

Shelving storage unit

Hanging cupboard

Open shelve storage
