## Divers

### Remarks :

SUJU is a well-equipped Hunter 410 built in 2000, offering generous space, easy handling and the reassuring build quality that has made this model so popular for extended cruising. She has been thoughtfully maintained and upgraded for comfortable island hopping and extended time aboard. With in-mast furling, lines led aft and a practical shoal draft keel, she is straightforward to manage short-handed and well suited to relaxed Mediterranean cruising.

Below deck she features the sought-after owner's layout, with one large aft cabin rather than two smaller aft cabins, providing excellent comfort and storage. The saloon is bright and welcoming with good headroom and ventilation, while the forward cabin offers privacy for guests. Importantly, both heads are fitted with fresh water vacuum systems rather than manual sea water pumps – a valuable upgrade that improves comfort and reduces odour.

Her Yanmar 63hp engine is regularly serviced, standing rigging was replaced in 2015, domestic batteries were renewed in 2024, and she benefits from solar charging, AIS, radar and comprehensive safety equipment. Currently ashore in Preveza, SUJU is presented ready for the coming season with minimal preparation required.

**Highlights:**

- In-mast furling mainsail
- Raymarine Axiom chartplotters with full navigation suite
- Four solar panels for extended cruising capability
- Owner's layout with one large aft cabin
- Yanmar 63hp diesel engine – regularly serviced
- Standing Rigging (2019)
- Davits and custom steel bow boarding ladder

**BROKER'S REMARKS**

SUJU is a comfortable and capable cruising yacht offering genuine space and practicality for extended Mediterranean use. Her owner's layout with a generous aft cabin creates a noticeably more spacious feel than the standard twin aft cabin version, making her particularly suitable for longer stays aboard. The fresh water vacuum heads are a meaningful advantage, offering greater convenience and cleanliness than traditional hand-pump systems. Combined with solar charging, modern Raymarine electronics and regularly maintained machinery, she presents as a well-prepared and sensible cruising yacht. With shoal draft access to quieter anchorages and straightforward sail handling, she is a yacht that inspires confidence without demanding constant attention. A solid, proven cruiser that is ready for the season and represents excellent value in today's market.

### Accommodation :

### Inventory :

### Mechanical :

**CONSTRUCTION**

- GRP hull, deck and superstructure
- White hull
- Shoal keel configuration
- Spade rudder
- Wheel steering

**DIMENSIONS**

- LOA: 12.49 m (41 ft 0 in)
- Beam: 4.23 m (13 ft 10 in)
- Draft: 1.52 m (5 ft 0 in)

Headroom: 1.85 m (6 ft 1 in)

**MECHANICAL**

- Yanmar 4JH2 diesel engine, 63hp
- 4-cylinder
- Shaft drive
- 3-blade fixed propeller
- Engine hours: approx. 4,020
- Annually serviced by engineers

**PERFORMANCE**

- Cruising speed: 7&ndash;8 knots
- Sloop rig
- In-mast furling mainsail
- Balanced and easy sail plan
- Shoal draft ideal for shallower anchorages
- Comfortable cruising speed of 7&ndash;8 knots

**TANKAGE**

- Fuel: 2 x PVC tanks
- Fresh Water: 2 x PVC tanks (capacity to be confirmed)
- Holding: 2 x PVC tanks

**ELECTRICAL**

- Domestic batteries: 2 x 185Ah (2024)
- Engine start battery: 74Ah
- Shore power with cable
- Sterling digital alternator and battery charger
- Solar panels x 4

**RIGGING**

- Sloop rig
- Aluminium spars
- Standing Rigging (2019)
- In-mast furling system
- Lines led aft to cockpit

**SAILS**

- Mainsail &ndash; UK Sails (10 years old)
- Genoa &ndash; UK Sails (original)
- Storm Club jib &ndash; never used, in good condition

**NAVIGATION**

- Raymarine Axiom x2 chart plotters
- Raymarine 700 Class B
- AIS transceiver
- GPS
- ICOM VHF radio
- Autopilot : Evolution
- Wind, speed, and depth instruments
- Radar : Quantum Doppler

**LAYOUT**

The yacht's layout features one large aft cabin and a forward cabin, complemented by a sociable saloon area. The galley is positioned starboard with easy access to both heads and communal areas. With ample stowage, natural light and full standing headroom, SUJU offers an inviting and functional liveaboard layout.

**DOMESTIC**

The U-shaped galley is well equipped with a three-burner hob, oven, grill, galley sink, fridge and a freezer. Pressurised hot and cold water is supplied via an immersion heater and calorifier system. Entertainment includes a stereo system

**TITLE DOCUMENTS AND TAX**

- Malta registry certificate
- Hull number plate
- Proof of VAT status
- Keys present and included
- No title concerns noted

**HISTORY**

Originally launched in 2000, SUJU has been maintained to a high standard by previous owners, with regular servicing and seasonal haul-outs. The hull was last antifouled in 2022, with anodes replaced as part of standard annual maintenance. The engine has benefited from annual servicing by professional engineers. There is no known accident or insurance claim history. SUJU has mainly been used for private cruising, and is now available for sale in good condition, ready for her next voyage.
