## Divers

### <strong>Remarks :

<p>The Dehler 43 CWS is a fast and comfortable cruiser/racer that is equally at home costal cruising or making extended offshore passages. The central winch system (CWS) enables all lines to be easily managed from the safety of the cockpit, particularly useful when sailing single or short-handed. With its large, comfortable cockpit, fast lines and good accommodation below decks, the Dehler 43 CWS will take you to new destinations in safety and comfort. With three double berths and an owner's suite in the fore-cabin and a large saloon, there is room to relax when the day's sailing is over.

Part exchange and finance available

### <strong>Accommodation :</strong>

Forward cabin with double berth, seat and en-suite heads. Large hanging locker, opening roof hatch, mirrored lockers and further under berth storage.

Door leads aft to the large saloon with U shaped seating to starboard with dining table and opposite to port, two armchairs with unit between. Infill cushions&nbsp; for the table to be used as a berth. New carpeting in the saloon and two opening roof hatches over table. Built in speakers and downlights set into overhead shelf.

Large chart table aft of settee with a hinged seat that can be stowed whilst at sea. Linear galley to port, aft heads to starboard.

Two double aft cabins, the larger to starboard with a lee cloth, the port cabin slightly smaller. Starboard cabin has a door to the aft heads, both with opening hatches and portlights.

Central companionway with engine access below, access also from aft cabin.

### <strong>Galley</strong>

Three burner stove with oven
