Remarks :

Stunning 2006 Princess 50, a remarkable motor yacht that seamlessly blends elegance and performance. With an overall length of 15.83 meters, this vessel boasts a sleek fiberglass hull designed in a Deep Vee shape, ensuring smooth navigation and stability on the water. Powered by twin 675 HP Volvo Penta D12-675 engines, this yacht delivers impressive performance with a maximum hull speed of 33 knots, making it perfect for exhilarating cruises. The inboard engine configuration and direct drive system enhance efficiency and responsiveness. Accommodating up to three cabins and two heads, the Princess 50 offers ample space for relaxation and comfort. This used yacht is equipped with essential features, ensuring a pleasurable experience on the water. Whether you're entertaining guests or enjoying a serene getaway, the Princess 50 is the ideal choice for discerning boaters seeking luxury and adventure.
