Divers

Remarks :

***** Part Exchange Considered *****

This boat is not to be missed!

The boat has had every Jeanneau extra fitted, the previous owner has spent a considerable sum on upgrading the specification with no expense spared on maintenance. This is the most highly spec’d MF795 on the market.

Commissioned in June 2016, "Lazy Days" has had 2 owners from new with the last owner having owned the boat since November 2017. The boat has been moored in fresh water during that time and is in excellent condition.

Powered by a Yamaha 200 GTX fly by wire outboard engine which has been serviced annually with FSH. This engine is the perfect match and at 4,300rpm cruises at a very efficient and comfortable 23knots.

**October 2025 - Lifted and anti fouled, hull polished and engine service. **

Early viewing recommended. Please call 01243 550042 to arrange a viewing.

Accommodation :

Sleeps 4 with a double berth in the fore cabin and a convertible berth in the saloon.

The saloon is very bright and spacious with a 360 degree view.

She has been cleverly designed with a spacious layout inside offering a fully functioning galley, a dining table, helmsman's and navigator seats
