Remarks :

Moody 36S for sale in Kent
This Moody 36S was built in 1982 and is ideal for coastal cruising or the occasional cross-channel trip. It benefits from seven berths, in three cabins including the saloon with an approximate 6’2 ft headroom throughout. It has a 273-litre freshwater capacity and a holding tank with a 59-litre capacity. The owner is selling due to a change of circumstances.
Please call our Kent Offices on +44 (0)1634 571605 for further information or to arrange a viewing.

Accommodation :

This **Moody 36S** offers seven berths, in three cabins plus the saloon with an approximate 6’2 ft headroom throughout and benefits from a 273-litre freshwater capacity and a holding tank with a 59-litre capacity. The fore cabin offers a V-berth with an infill to convert to a double berth, an opening deck hatch and good storage including shelves and underberth storage. Moving aft between the forward cabin and the saloon is the heads compartment, featuring a marine toilet, and a single wash basin moulded in a vanity unit with hot and cold pressurised water. The main saloon offers booth seating to port with a central folding table, with under-berth storage with shelf and cupboard storage above the booth; this area converts to a double berth. Opposite the booth is a single settee with under-seat storage again with shelf and cupboard storage above, this settee also converts to a single berth. Located aft of the saloon on the starboard side is the galley featuring a 2-burner gas cooker with oven and grill, a 12V Coolbox, and a white sink with pressurised hot and cold water. Hot water is provided by a gas-fired water heater located in the galley. A navigation station is located at the end of the single Settee on the starboard side, this area houses chart storage and an array of navigation equipment and vessel control switches. Located at the stern of the saloon are two double cabins featuring a generous double berth over 6 feet in length and a practical standing area for dressing. These cabins also offer a variety of storage options, including shelving, hanging lockers, and additional under-berth lockers for added convenience. Companionway steps lead up to the cockpit which has two good bench seats and a deep locker on the port side. Binnacle with wheel steering, engine controls and navigation instruments are located above the companionway.
