L-shaped Galley opposite to port with 2 x burner gas cooker with oven, cool box, stainless steel sink with hot and cold pressurised water, salt water foot pump and storage lockers.

Aft cabin to port with a double berth and hanging locker.

Heads opposite to starboard with a marine toilet, wash basin, shower, hot water and electric sump pump for shower tray.

Inventory :

Built by Ronautica Yachts in Spain

CE Category A Ocean

Construction

General

General

The hull is stiffened using a structural grid

All hull layers are laminated by hand

The chainplates are fixed in place to a stainless steel structure that is firmly laminated to the hull

Hull

The hull is a solid layup and all layers are laminated with isophthalic polyester resin for osmosis protection.

Deck

Foam sandwich construction, generating optimum strength and insulation.

Lead keel and spade rudder
