The Merry Fisher 795 Series 2 is the newer generation of this tried and trusted family cruiser offering accommodation for four berths in a modest sub 8m package whilst retaining good sea keeping quality. The Merry Fisher range is of a proven design that is well suited to the Northern European climate and come rain or shine the MF795 S2 allows you to fully enjoy your time afloat.

The 250hp Yamaha is the largest engine the 795 can come fitted with and the 6 cylinder engine does transom the refinement and performance aboard whilst also being more fuel efficient at almost all speeds.
