Remarks :

The Nord West 390 is a true testament to the exceptional craftsmanship showcasing the traditional quality of boatbuilding from the renowned island of Orust in Western Sweden.

Every detail of the NordWest 390 exudes immaculate workmanship, from the stunning finish of its mahogany interior to the high standard of its technical installations. The skilled craftsmen of Orust have established a reputation for producing boats of outstanding quality, and this yacht is no exception.

With its elegant design and superior construction, the Nord West 390 is a testament to the dedication and skill that goes into creating a truly exceptional vessel.

Please call 01243 550042 to arrange a viewing.
