Remarks :

The Vi Q4 is a brand-new, Italian-designed premium motor yacht that redefines luxury on the water. With its striking lines, smart modular layout, and advanced technology, the Vi Q4 is the perfect choice for private owners, charter operators, or anyone seeking a custom-built yacht tailored to their needs. We have for sale the demonstrator built in 2023. We can also provide you with a new custom configured Q4 tailored to your requirements. Crafted with precision and elegance, the Vi Q4 measures just under 12 meters and holds CE Category B certification—built for offshore cruising in full comfort and safety. Designed by renowned architect Pier Luigi Mimmocchi, this vessel blends timeless style with modern innovation, offering an exceptional experience at sea.

Performance & Comfort Without Compromise

Powered by twin Volvo Penta D4-300 engines (600 HP total), the Vi Q4 delivers agile performance and smooth handling. The helm features a fully integrated Garmin glass cockpit with autopilot, GPS depth sounder, automatic trim, and sonar—all seamlessly linked to the engine management system. Whether you're navigating open waters or docking in tight marinas, the Vi Q4 ensures absolute control. The hydraulically expanding side terraces open up the deck, creating an expansive lounge space unmatched in this class. The cockpit is fitted with electric teak dining tables, convertible sunbeds, and premium upholstery. A full teak deck stretches from bow to stern, adding luxury underfoot.

Live in Style & Inside and Out

Below deck, two beautifully finished cabins sleep up to six guests. Wall-to-wall upholstered finishes, LED lighting, air conditioning, and a designer-lit staircase create an inviting boutique interior. The galley includes an induction cooktop, 12V fridge-freezer units, sink, and full dinnerware—fully customizable to your preferences. The Vi Q4 is equipped with a 230V generator, Garmin Fusion audio system, flat-screen TV, and high-speed Starlink satellite internet. Aft and engine room cameras, a remote GPS tracking system, and an automatic fire suppression system ensure maximum safety and peace of mind.

Test and Customize Your Yacht in Mallorca

The Vi Q4 is currently available for sea trials in Palma de Mallorca, Spain. You're welcome to visit and experience the yacht in real conditions—on open water, under real-world loads, and in full comfort. In addition to the current configuration, custom versions are available to order. Choose between inboard or outboard engines, layout modifications, bespoke color schemes, and additional features tailored to your lifestyle or business use.

Turnkey Solution for Private and Charter Use

Whether you're seeking a private getaway yacht or a high-performing charter vessel, the Vi Q4 delivers. It's ideal for day charters, weekend cruising, or investment in a shared-ownership model with charter revenue potential. Contact us today for more details, specifications, pricing, or to schedule a sea trial in Mallorca. A new class of premium yachting awaits.
