OASIS 3 Waterlodge for sale in Kent

Are you looking for somewhere to escape to during the week or weekends with access to the waterfront and the great relaxing lifestyle this brings?

Well, this is a rare opportunity to enjoy a luxurious waterfront lifestyle aboard this brand-new 2025 lodge. It is currently moored in a very picturesque location on the River Medway in Kent, but can easily be moved to a more city-centre location in Chatham Marina, Kent, with fast commuter links to London and Europe. This Waterlodge Oasis 3 is ready for immediate purchase. Its key features include a two-bedroom layout with one bathroom, kitchen, lounge, external deck and roof terrace.

Please call our Kent Office +44 (0)1634 571605 for further information or to arrange a viewing.

Accommodation :

This particular OASIS 3 offers six berths in two cabins and the saloon area. The Master Bedroom has room for a large double bed with wall-mounted reading lights, additional floor-to-ceiling windows and a patio door to the rear deck. It also has a door leading out into the saloon

Opposite is the second bedroom with room for a double bed and an additional floor-to-ceiling window providing a very light and airy space. A door leads out to the saloon.

Aft of the bedrooms is the Heads compartment with HPL bathroom walls in Travertine Silver with an electric flush WC with macerator with a discharge pump, white gloss vanity unit with a sink with pressurised hot and cold water. A sliding door takes you into the shower unit with pressurised hot and cold water. The Heads as a ladder towel rail.

Aft of the Heda compartment is the galley. The galley is fitted with IKEA VOXTORPP white units with no handles and IKEA KARLBY Oak counter worktops. It has a VALBILDAD electric 2-burner induction hob, built-in combi microwave/grill. It has an undercounter integrated slimline dishwasher, integrated fridge/freezer and extractor fan.

The galley opens out into the saloon with KRONOSPAN ROCKO BARISTA OAK flooring, double-glazed patio doors opening onto the outside deck, six full-height double-glazed windows all fitted with grey curtains. There is room for a double sofa to be fitted, which provides two additional berths. A 240V air conditioning unit is fitted in the saloon area.

The patio doors open onto a large 1.5m x 4.2m covered deck area with external lights and composite decking. It has an external hot and cold water shower fitted. It has a stainless steel guardrail fitted for safety, with easy access to the shore

The aft patio area has again a stainless steel guardrail with a stainless steel spiral staircase leading up to a roof terrace with stainless steel guardrails.

History and Construction

This Waterlodge OASIS 3 was built at the beginning of 2025. It has been used as an in-water display model for the past few months. Built in Poland, it is one of several models available for sale in the UK. The Polyethene box floats are filled with styrofoam and contain the internal 1000 litre waste and water tanks. The platform and structure are made of galvanised steel and argon-filled double-glazed windows and droors.<p> </p>

Mechanical :

Electrical systems:

This OASIS 3 is fitted with a mains power system via a 240V shore power system. There are 240V sockets fitted throughout the lodge. It has a 240v hot water immersion system with an Air Source heat pump and air conditioning unit.
