The Jeanneau Cap Camarat 10.5WA Series 2 is the perfect boat for family getaways, offering high performance, excellent handling, and two distinct exterior living areas.

Having Supplied 'Lunacy' new we know that she has got to be one of the highest spec'd 10.5 WA series 2 currently in the UK. She has been lightly used with around 100 hours run time on the bullet proof Yamaha XTO engines. Having experienced this model in all engine configurations the twin 425hp set up is the most fuel efficient at cruising speeds offering a lower fuel burn, a more refined ride as well as mind bending acceleration when the conditions and crew permit!

She comes equipped with the larger twin 425hp Yamaha engines and Helmmaster Joystick, Premier Pack, Bow Thruster, Automatic Zip Wake trim tabs, T-top, T-top closing kit, Teak on the swim platforms and cockpit, Custom vinyl hull wrap, Webasto diesel heating, upgraded signature series speakers and fusion Apollo, twin Garmin 12 inch plotters and lots more.

The 10.5WA S2 is a best seller for Jeanneau but this owner has further enhanced his time aboard by adding things such as bespoke carpets, fans, heating, battery monitoring, engine covers and canvas modifications to really take the boat to the next level.
