Remarks :

Gib'Sea 84 for sale in Kent

The Gib’Sea 84 blends spirited sailing performance with a cleverly designed interior, making her a superb choice for couples, families, or friends who want to enjoy comfortable cruising without stepping up to a much larger yacht. Designed by the respected Joubert-Nivelt team and built by Gibert Marine in France, she carries the hallmarks of the 1980s European cruising yachts – graceful lines, a well-balanced hull, and an interior that makes the most of every inch.

At just under 29 feet, she offers two private cabins, a bright and sociable saloon, a practical galley, and full standing headroom in the main living space. The deck layout is straightforward and easily managed, whether you’re sailing shorthanded or with crew, and her lively yet predictable handling inspires confidence at sea.

With her combination of space, style, and seaworthiness, the Gib’Sea 84 is equally at home coastal cruising, exploring further afield, or simply enjoying relaxed weekends afloat.

Please call our Kent Office +44 (0)1634 571605 for further information or to arrange a viewing

Accommodation :

The **Gib’Sea 84** forward cabin has a V-berths that convert using an infill into a comfortable double bed, surrounded by lockers and shelving, and typically topped with an opening deck hatch for ventilation.

The **Saloon** has two bench settees (port and starboard) that can be used as single berths. Both berths have Leecloths fitted. A folding table in the middle makes social meals easy. It has a Radio/Bluetooth Player and a Triclicks cabin heater fitted.

The **Aft Cabin (Starboard)**: Offers an enclosed double berth, though headroom and shoulder space can feel tight under the cockpit—particularly for broader or taller individuals.

The **Galley** is compact but functional, usually equipped with a Neptune double-burner gas hob and grill. It includes one sink with cold water, an icebox, plus ample storage cupboards. There is also a standalone 12V fridge included.

The **Navigation station** is located to starboard of the companionway. The chart table with seating and space for instruments makes for a useful navigation station.

The **Heads compartment** consists of a single enclosed heads compartment (on the port side aft of the saloon) featuring a manual sea toilet and basin.

The companionway steps led up to the cockpit, which can accommodate six people and has plenty of storage lockers for fenders and gas bottles.
