Divers

Remarks :

Remarks
The Scorpion Serket is widely regarded as one of the finest British-built leisure RIBs on the market. Handcrafted in Lymington, Scorpions are celebrated for their offshore performance, craftsmanship, and understated British style.
This particular boat, *SEALION* (2020), has been **dry-stacked from new**, never antifouled, and shows just ~170 hours on its Mercury Verado 300hp V8. With the presence and space of a larger offshore boat, yet easy handling and straightforward maintenance, she represents a genuine turn-key package.

SCORPION APPROVED ndash; Includes 6-Month Approved Used Warranty
KB Dry Stack: Annual berth paid through March 2026, including a reserved space (highly sought after with current waiting list).

Lifestyle features include:

- Removable over-tube swim ladder
- Bow sunpad with foredeck cushion
- Stowable teak cockpit table
- Freshwater deck shower
- Warm white LED deck lights
- Raymarine navigation suite JL Audio sound system

A rare opportunity to acquire a low-hours, dry-stored Serket 88 with clear British pedigree and everyday usability.
