Remarks :

The Northstar Axis 4.2 is a brilliantly designed compact RIB, created to make boating simple, safe, and enjoyable for the whole family. Its standout self-draining deck system allows the boat to be left afloat all season without worry — so no wet feet or draining batteries!</p><p>Lightweight, easy to helm, and economical to run, the Axis 4.2 is versatile enough for estuary runs, family trips to the beach, or even watersports thanks to its responsive 50hp Honda outboard. With clever use of space, a family-friendly layout, and smart extras such as a bow sun-pad conversion and large storage lockers, this is an excellent turnkey package for first-time owners or as a reliable runabout.</p>
