This represents a substantial saving for this ex-display boat

This particular example is afloat with us in Chichester Marina and can be viewed at a moments notice. She is already on the water ready to go!
She comes equipped with Twin Volvo D4-320 Diesel inboard engines with joystick and a high specification that includes a bow thruster, automatic zipwake trim tabs, Fusion stereo system, upgraded Raymarine electronics pack, custom blue hull wrap, bespoke cockpit canvas full EVO synthetic teak decking and lots more.
There is also the scope to add plenty of further options shall you wish to do so.
The DB 37 is designed for you to fully benefit from the sea, to experience and share unforgettable moments. A true party boat, with an optimal interior layout, she also offers the possibility of extended stays onboard. All of this with the stylish allure of elegant lines. From day boat, to party boat, to cruiser, the DB 37 promises exceptional experiences on the water.
This new model perfectly represents the DB Yachts line, upholding the core principles that made the DB/43 a success. The deck plan privileges exterior space and easy movement on board, and while at anchor, side terraces can extend the cockpit toward the sea.
The interior of the DB/37 fulfils all the promises of the DB Yachts line, with refined touches, fine materials, thoughtful details, and a warm atmosphere, all enhanced by natural lighting diffused through vast windows in the hull.
